A Message from the Conference Chair

On behalf of the LGAA Board of Directors and our 2024 Conference Committee, I am pleased to invite you to attend our **2024 Conference & Trade Show** in the beautiful mountain town of Canmore, Alberta. This year's conference will be held on June 19-21, 2024 at the **Coast Canmore Hotel and Conference Centre** with a variety of pre-conference recreational activities on Tuesday, June 18.

We are excited to deliver the same **look and feel** as last year's conference following the results of the post-conference survey that told us our members loved the new format and location. We are excited to once again take advantage of the beautiful Canmore area and will continue to offer a variety of **experiences including a golf tournament** at the stunning Silvertip Resort, **a scenic rafting tour, hiking and walking adventures.**

In addition to these features, the 2024 Conference will also offer an outstanding educational experience for municipal administrative professionals at any level and will include keynote addresses by

- b. Closing keynote: Deri Latimer - Leadership, Resilience & Change

Our program features your choice of **20+ education sessions** including:

- A **leadership stream** if you are looking to build your skills as a leader, and
- A **educational stream** if you are looking to grow your operational knowledge.

We know that networking is one of the key draws for our annual conference and we have made every effort to create **more opportunities for you to connect with your municipal peers** such as:

- The golf tournament, rafting, and walking tours,
- The Dinner on the Town activity,
- The Trade Show as part of the Conference, and
- Continuing some of our traditional sessions where you discuss the topics that matter to you.

We have also kept the same dinner and entertainment event as last year which was a hit amongst attendees and will feature a variety of forms of entertainment including, WLD cocktail and spirit tasting (for everyone) in the ballroom with Wild Life Distillery, competitive games, and a quiet space for people who want to connect with colleagues in a more private setting.

All of this has been made possible by the amazing work of our Conference Committee and our Board's commitment to growing interest in our annual conference. We look forward to creating an amazing experience for all delegates and I personally look forward to meeting many of you at the Conference this June.

Sincerely,
