Shotgun tee-off at 9:30 a.m.

Scramble format (often referred to as ‘best ball’)

- All players tee off and the team selects the best shot of their team.
- All players go to that spot and hit their second shot.
- This process is repeated until the hole is complete.

Team Selection

- You can request to play with people you know, or we will match you up so you can meet new people.
- Prizes will be awarded randomly so there is no incentive to stack your team in hopes of shooting the lowest score.

Not a regular golfer?

That's okay! None of us are professional golfers. If we were, we wouldn't be working in local government!

Whether you shoot 70 or 200, we invite all levels of golfers to enjoy a casual day of networking on the course.

The scramble format (aka 'best ball') lets you hit from your teammates' best position each time. This is great for new players as it lessens your discomfort and lets you focus on what matters – networking with your teammates and sponsored vendors at each hole.
