After a three-year hiatus, we are pleased to once again host a Trade Show as part of our 2023 Conference. Our annual conference is our highlight event where 150+ municipal administrators and stakeholders come together to hear inspiring speakers, learn through educational sessions, and network with municipal administrators and organizations like yours that serve the municipal sector.

Value of being an exhibitor?

Conference delegates include chief administrative officers, senior managers, and administrative staff from municipal governments from across Alberta who have influence over policy and purchasing decisions. The Trade Show is an opportunity for you to connect with potential clients and showcase your products and services to municipal administrative leaders. It is an excellent opportunity to broaden awareness of your brand by distributing promotional materials at your table or donate an item for the prize draws.
